**Jojo's**

*Madame Jo Jo's presents our truly fabulous*

# *Kitsch* **CABARET**

**K**itsch Cabaret is an evening of feathers, glitz and dazzling live music every Saturday right in the heart of London's Soho, a classic combination of the bygone music hall and Vegas floorshow, providing drinks, dinner and dancing in the backdrop of the art-deco decadence and vintage glamour of Madame Jo Jo's.

Madame Jojo's has a rich heritage dating back nearly half a century, and has acquired a reputation for being one of the world's premier cabaret venues, as well as a leader in London's cutting-edge clubbing and music scene. Kitsch Cabaret reconciles these elements – presenting old-school Soho glamour with a twist and a unique format for a thoroughly modern audience. A rarity among cabaret and vaudeville shows, Kitsch Cabaret stars trained musicians who improvise and add a distinct edge to the songs they perform, as part of a frequently-changing musical programme.

## *Kitsch Cabaret - The Stars*

Kitsch Cabaret is led by the dynamic diva Miss Terri, truly a hostess with the mostest! Her all-singing, all-dancing troupe features the exotically beautiful Sahara and the fabulously funny Krystal, plus special guest artists at every show, offering a thrilling range of entertainment from the amazing close-up magician Qenny, to the astonishing Sunny The Snake Boy, and the mysterious beauty, Snake Girl!

And last but not least - Kitsch Cabaret features the infamous Barbettes! These legendary, gorgeous hostesses are here to serve our guests and attend to their every need with wit and style.

This wonderful show provides unrivalled fun, frolics and flirting: top quality but light-hearted entertainment all served with extra fizz!

## *Kitsch Cabaret - Programme*

Kitsch Cabaret has a unique line-up and structure, offering its audience supper, drinks and dancing, with live music, comedy, theatre, magic and plenty of witty repartee!

Miss Terri – ‘compere without compare’, whose chameleon-like talents encompass the vocal styles of cabaret icons from Sally Bowles to Kylie - fronts a line-up of superb performers, covering jazz standards, classic show tunes and recent pop and disco hits, in a show that spans the decades. Songs are all performed live by these supremely talented artists led by Terri, a professional singer and actress who describes the show’s musical influences as “a culmination of my musical icons, Shirley Bassey, Billie Holiday, Abba and Madonna ... a variety to suit all tastes”. Extravagant costumes, skits and high-kicks add glitz and fun to the performance, making the show an unsurpassed theatrical cocktail.

Doors open at 6.45pm, the show starts at 7.30pm, and canapés and desserts are served to the table during the interval, at approximately 8.15pm. Before and during the performance, Kitsch Cabaret’s resident hostesses, the Barbettes escort patrons to their table and serve up entertaining witticisms and unique commentaries with the cocktails and canapés, adding extra flavour and a personal touch to the impeccable service.
